TRANSFER FROM ANOTHER CLINIC

In order to initiate a transfer of one of your patients to this clinic, please note the following information.

CompDrug Transfer Criteria:

1. To begin the transfer process, a pre-admission urine must be given at CompDrug. The urine must be negative for sedatives (including benzodiazepines and alcohol) and barbiturates.
2. The costs of the services are as follows:
 - a. Guest dosing = \$20 per dose until transfer is completed
 - b. Must have a financial payor source (ex) Medicaid
3. Must have with him/her a current Driver's License with a picture or a State ID with a picture.

Please mail or fax the following data:

1. Signed release of information
2. Documentation of addiction
3. Methadone order
4. History & Physical Exam (if within the last 90 days)
5. T.B. test results or Chest X-Ray (if within the last 90 days)
6. All available lab results – CBC, Chem, Hepatitis screening, urinalysis, any other pertinent data (if within the last 90 days)
7. Toxicology results of the last 3 months
8. Complete guest dosing form

The decision regarding acceptance of this patient to our clinic will be made after the patient has met admission criteria and our physician has agreed to move ahead with the transfer.

In the meantime, your patient will be medicated as a guest doser, **under your physician's order**, until we verify pre-admission toxicology results, are able to schedule an intake and our physician reviews the data and accepts or declines admission of your patient.

Method of payment should be addressed prior to arrival.
